Parayada Drainage Scheme

File No 301/2 of 1941-42	General and Revenue Secretariat

Serial No

Letter No A 6 C 3688/42 dated 21-11-41 from the D C Tuticorin Dt, forwarding the information called for

1) The Parayada Minor Tank proposes to take up the drainage scheme at an estimated Cost of Rs 19 280/-

2) The D C Tuticorin Dt has already sanctioned a sum of Rs 1000/- out of the allotments placed at his disposal for the improvement of Minor Tanks in the Dt for the above work

3) Now the D C recommends sanction to the estimate for Rs 19 280/-, the balance of Rs 18 280/- being met by Govt as an outright Grant to the Parayada Minor Tank

Regarding the financial condition of the Tank for the Fy 1941-42, it is seen that the Tank anticipates an income of Rs 5 253/- against an expenditure of Rs 4 593/-

4) Further the Tank has no investments at its Credit

According to the Standing orders the Tank should bear atleast a moiety of the estimated Cost

5) In view of the incapacity of the Tank to finance the drainage scheme, it is for orders whether the D/F may be regretted to Rejject the alternative Scheme or ~~to recommend to take up~~ Executive the scheme as above for

Submitted for orders

disability of poor finance, it might set up a precedent of the whole amount of estimate should be granted outright 'A above may perhaps be done in the first instance On receipt of alternative schemes if any, the question of a grant of a loan of about Rs 5000 payable in 10 annual instalments of Rs 500 each may perhaps be considered, Could a scheme at a total Cost of Rs 15,000 be got up. A sum of Rs 1000 is already there, 5000 from Govt & another 5000 as a loan would make up 15,000

Sk 5/XII 14) The estimate for the Pawagada drainage scheme is for Rs 19,280/- It has been scrutinized by the Chief Engr also

15) A sum of Rs 1000/- has been already sanctioned for the above work by the Dte out of the amount placed at his disposal out of Local Improvement funds last year

The D.C. Zumbumgoda states that as the Paragasta mun Mudaliyar is not in a position to finance any portion of the work, the entire cost may be met by the Government. This subject came up as a representation at the Ratnapura Kachcheri when first promised to view the matter sympathetically.

17) It would perhaps create a very bad precedent if the entire cost as arrived to be met by first the Paragasta mun Mudaliyar may be asked to contribute at least one fifth of the estimate viz Rs 5000/- by taking a loan from Govt. if necessary repaying it in easy installments in about 10 years with interest at 4½%.

18) The amount awarded as Government grants is Rs 22 454/- It would not be possible to give more than Rs 4000/- this year out of this reserve for this work.

19) Particulars regarding are the following:—

Serial No

1) Sanction to the estimate for Rs 19,280/-

2) Question of paying the entire cost by Govt

3) Question of asking the Municipal to pay at least one fourth of the cost by taking a loan

(4) Spreading the work over 5 years so that the works may be executed at the cost of Govt

(5) Paying a sum of Rs 4000/- as grant this year from the sum entered in the reserve

Law Secy) 11/12/41

4) The estimate may be sanctioned

2) The Municipality has to bear at least one-fourth of the cost A loan may be advanced for their portion of the cost

3) The work may be spread over 5 years

Rs 4,000/- may be sanctioned out of the Town Improvement Grants this year

Subject — Re Pavagada drainage scheme

=00=

SIR

In forwarding herewith, in original, the file of records received from the President Minor Municipal Council, Pavagada on the above subject I have the honour to state as follows -

The Director of Health had sent a copy of letter addressed to the President, Pavagada Minor Municipality, asking him - to return the estimate for Rs 19,980/- prepared in connection - with a comprehensive drainage scheme of the town, duly countersigned and to intimate the ways and means to meet the cost of - the estimate in question so that sanction of Government may be - obtained to work out the scheme

The finances of this Minor Municipality are very meagre and the Municipality will not be in a position to meet any portion of cost of the estimate unless Government are pleased to - sanction the whole of it as an outright grant The Municipality had sent an estimate for Rs 1,900/- for urgent drainage works - which was considered unnecessary in view of the comprehensive - estimate received from the Health Department

The Director of Health who was consulted as to whether - the Sanitary Department would take up work to the extent of funds available, in case a sum of Rs 1,000/- out of the allotment of

of Rs 2,000/- (at the disposal of this office) was placed at the disposal of the Municipality as an outright grant has - replied that arrangements would be made to start the work and complete it to the extent of funds available before the close of this official year and that the amount may be placed at - - the disposal of the Sanitary Department The Amildar - President has been instructed to credit the same to 17(a) P W - Deposits

The President has sent the estimate duly countersigned and requests hat a recommendation may be sent to Governmert to bear the entire cost of the scheme as the finances of the Municipality are too slender even to meet the normal requirements

I am of opinion that there is some force in the - - representation of this Municipality and request that the same may be favourably considered by Government

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District

Sir,

Subject - Drainage Scheme of Pavagada Minor Municipality.

****

Adverting to your letter No A6 C 3683/40-41 dated 21st November 1941 on the above subject, I am directed to state that it is not possible to accept your recommendation that the entire cost of the scheme in question may be met by Government

In view, however, of the poor financial condition of the Pavagada Minor Municipality, Government would have no objection as a special case to meet 3/4 of the total estimated cost, if the local Municipal Council is prepared to meet at least the balance of 1/4 of the cost by taking a loan from Government carrying interest at 4½% and repayable in 20 annual instalments

I am to request that the necessary resolution of the local Municipal Council in the matter be forwarded early agreeing to the condition above and pointing out the source of revenue which the Municipal Council proposes to earmark for the repayment of the proposed loan

Sir

Subject - Pavagada Drainage Scheme

With reference to your letter No L 7824 dated 28-2-1942 on the above subject, I have the honour to forward herewith in original, the entire file of correspondence received from the President, Pavagada Minor Municipality and to state as follows -

The President states that the Council at their meeting held on 30-3-'42 have resolved to meet ¼ of the cost by taking a loan of Rs 6,000/- inclusive of the cost of about Rs,2,000/- towards the cost of the storm water drain, repayable in 20 annual instalments, carrying interest at 4½% The income under C 6 (1) Marketfees has been ear-marked towards the discharge of both the principal and interest of the loan, if sanctioned by Government

I request that sanction of Covernment may be obtained to the ~~Scheme~~ Scheme

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District

READ:-

Correspondence ending with letter No.A.6-C.3668/40-41 dated the 9th April 1942, from the Deputy Commissioner, Tumkur District, forwarding for sanction certain proposals for a scheme of drainage in the Pavagada Minor Municipality at an estimated cost of Rs.19,280 and stating that a grant of Rs.1,000 from out of the Town Improvement grants for 1940-41 placed at his disposal has been sanctioned towards the cost of the said scheme.

ORDER

Order No. L 10974-7/Mnl 84-31-8

Dated the, Bangalore 16 May 1942.

The estimate is sanctioned for Rs.19,280 as duly scrutinised by the Chief Engineer.

2. The cost will be met by the Government and the Pavagada Minor Municipal Council in the proportion of 3 : 1 as a very special case.

3. The Government share of the cost amounting to Rs.14,460 will be met by the grant of Rs.1,000 already made for the purpose during 1940-41 and a grant of Rs.6,730 out of the Town Improvement grant for each of the years 1942-43 and 1943-44.

4. In order to enable the Municipal Council to meet its quota of the cost amounting to Rs.4,820 towards the scheme and also the cost of constructing the storm water drain at the place, a loan of Rs.6,000 is sanctioned carrying interest at 4½ and repayable in 20 annual instalments. The latter work should be financed entirely from the Municipal Funds.

5. Provision should be made in the annual budgets of the Municipality for the regular repayment of the instalments of the loan together with interest. The market fee income should be earmarked for the repayment of the loan as undertaken by the Municipal Council.

6. The Director of Public Health is requested to take up the execution of the scheme early and complete it expeditiously.

By Order,
For Secretary to Government,
Law Department.
